

With its extensive range of core chemicals all available from our own UK based storage facilities, the solvents division distributes the following products, supported by leading global petrochemical manufacturers, including:

Dow Chemical Company

Sasol Solvents

Evonik

Akzo Nobel

Celanese Chemicals

OXEA

Invista

TOTAL

Perstorp

Borealis

Aliphatics

White Spirit

BAS 30, 40 & 60

Bannerseal DS 277-322 (Mineral oil)

De-Aromatised Kerosene grades

De-Aromatised White Spirit grades

IsoParaffinic Solvents (Solbans)

New Distillate

Hexane (SBP 65/70)& N Hexane 95%

Heptane & N -Heptane 95%

Ketrul range of solvents

Pet Ethers 40-60, 60-80, 80-100 & 100-120

Petsol D100

SBP's 2L, 3, 5 ,6 ,11 & low odour SBP 11

Solban- Isoparaffinic solvents

Solban C, 40, 60 , M & IP 175

Solvent Neutral Oils

Aromatics

BAS range of Aromatic &

Aliphatic Naphthas

BAS 110 (C9 Aromatic Naptha)

BAS 150 (C10 Aromatic Naptha)

BAS 220 and BAS 220 LN

High Boiling Aromatic Naphthas

Toluene

Xylene

Alcohols

2-Ethyl Hexanol

Benzyl Alcohol

Ethanol: inc. IDA / TSDA grades

Iso Butanol

Iso Propanol (inc. Premium IPA)

Methanol

N. Butanol

N. Propanol

Esters

Di Basic Ester : Flexisolve DBE

: Flexisolve DBE-IB

Ethoxy Propyl Acetate

Ethyl Acetate

Iso Butyl Acetate

Iso Propyl Acetate

Methyl Acetate

N. Butyl Acetate

N. Propyl Acetate

Ketones

Acetone

Cyclohexanone

Di Acetone Alcohol (DAA)

Di Iso Butyl Ketone (DIBK)

Hexylene Glycol

Isophorone

Methyl Ethyl Ketone (MEK)

Methyl Iso Amyl Ketone (MIAK)

Methyl Iso Butyl Ketone (MIBK)

Methyl n-Amyl Ketone (MAK)

Methyl n-Propyl Ketone (MPK)

Glycols

Di Ethylene Glycol (DEG)

Di Propylene Glycol (DPG) - Low Odour

Mono Ethylene Glycol (MEG + Fibre)

Mono Propylene Glycol tech (MPGi)

MPG USP

Tri Ethylene Glycol (TEG)

Glycol Ethers

Butyl Di Glycol

Butyl Glycol

Ethyl Di Glycol

Hexyl Glycol

Hexyl Di Glycol

Methyl Di Glycol

Propyl Glycol

Glycol Ether Esters

Butyl Di Glycol Acetate

Butyl Glycol Acetate

Ethyl Di Glycol Acetate (EDGA)

Ethylene Glycol Di Acetate (EGDA)

Ethyl-3-Ethoxy Propionate (EEP)

Plasticizers

Di Butyl Phthalate (DBP)

Di Iso Butyl Phthalate (DIBP)

Di Iso Decyl Phthalate (DIDP)

Di Iso Nonyl Phthalate (DINP)

Di Octyl Adipate (DOA)

Propylene Glycol Ethers & Esters

Bannernol A (PM)

:(Methoxy Propanol)

Bannernol C (DPM)

:(Di Propylene Glycol Methyl Ether)

Bannernol G (PMA)

:(Methoxy Propyl Acetate)

Ethoxy Propanol

*PnB, DPnB, DMM and other Speciality
grade Propylene Glycol Ethers:
available upon request*

Additional Products

Acetic Acid

Acetic Anhydride (upon application)

Alpha Methyl Styrene

Di Ethyl Ether (DEE - EP grade)

Di Iso Propyl Ether (DIPE)

DiMethyl AminoEthanol (DMAE)

Di Methyl Formamide (DMF)

Methylene Chloride

Methyl Ethyl Ketoxime (MEKO)

Methyl Iso Butyl Carbinol (MIBC)

N. Methyl-2-Pyrrolidone (NMP)

N. Ethyl-2-Pyrrolidone (NEP)

Tetrahydrofuran (THF)

Vinyl Acetate Monomer (VAM)

White Oils 15, 22 & 68

Many of the above products can be supplied blended together to produce bespoke solutions.

We offer toll-manufacturing & blending services encompassing:

(i) Solvent blending

(ii) Solvent blending including additional additives (which we can source or receive customer approved materials)

(iii) Blending based upon water-based requirements (we produce softened water, de-mineralised/de-ionised water)

(iv) Production / receipt of concentrates, and let down with water options

(v) Packing into wide-ranging container sizes (1 litre up to tanker lots)

(vi) Produce customer-own labels for application to bespoke products/pack-types
